### **COME BE A PART OF THE KATZ FAMILY:**

*Hello, and welcome to the Katz All Stars competitive cheerleading program. We are excited about the upcoming season and especially about having you as a part of our award-winning program. Throughout your time with Katz, we can assure that the children in our program will learn more than they can imagine about cheerleading and gymnastics and will improve their current skill level immensely. However, we can also promise that the youths involved with us will also learn skills much more important to their every day lives and their futures. We believe that the lessons that the cheerleaders learn while competing each year, such as teamwork, hard work, dedication, and winning and losing with grace and dignity, far surpasses any lessons they may learn about the sport. These qualities provide the framework for all success in their future, so while we are extremely proud of the countless trophies, banners, jackets, and titles that our cheerleaders have earned for their skills, we are most proud of the young men and women they become throughout the experience.*

### **WHY KATZ ALL STARS:**

*If you are looking for a small gym feeling in a large gym environment, then you have come to the right place. Our facility offers all of the equipment and space needed to excel safely in cheerleading and gymnastics ability, while our environment, staff, and membership also provides a warm and inviting family atmosphere. Our program is family owned and operated, and we believe tremendously in the importance of family and friendship. Our cheerleaders, parents, and staff are our extended family and the experiences you will have throughout the year will prove to you that we treat each child in that way. The teams in our program have also been very successful since we have taken over the program in 2000, claiming more than 50 National Titles and 85 other first place titles, earning the respect of teams, coaches, and competition directors all over the country.*

### **OUR STAFF:**

*Our continued success at competitions every year begins with the knowledge and experience of our staff members. Members of our staff are CPR and First Aid Certified as well as USAG safety certified and Cheer Power safety certified. Some members of our staff are credentialed in judging as well, and combined boast over 40 years of coaching experience. Many of our staff members were high school, college, and all star cheerleaders themselves, as well as competitive gymnasts.*

### **TEAM PLACEMENT:**

## **KATZ CHEER AND GYMNASTICS ACADEMY**

**438 Woodbine Ocean View Rd. (Rt. 550)**

**Ocean View, NJ**

**[www.katzallstars.com](http://www.katzallstars.com)**

**(609)-624-0090**

*Our goal is to have teams for athlete of every age and ability level. We do not believe in "cutting" any potential member during the try-out process. If a child has the desire to be a cheerleader, we have a place for them. Try-outs are held only for the purpose of team placement. During try-outs, skill level is detected for each child, and an appropriate team placement is decided for the safety and experience of each member. **NO EXPERIENCE IS NECESSARY** in order to try-out for one of our teams. In fact, many of our most talented members began knowing little about the sport and have learned all they have needed through years in our program.*

### **LATE TRY-OUTS:**

*If you miss our try-out dates, it is always possible to make one of our teams through a private try-out by calling us to schedule a date and time. Please remember, though, that as the season moves along, we may be looking only for a certain age/ability to fill a team that still has space, so do not hesitate to join our team as soon as possible.*

**Thank you for your interest in joining the Katz Cheer and Gymnastics Academy family and we look forward to seeing you at try-outs!!!**

**Lorri Hansen  
Danielle Wilson
